Greetings –

This Sunday I'll share the first of a two part sermon series entitled **FASTForward**.

We will also view a brief video regarding our Week of Compassion special offering.

And our youth (and anyone else who would like to go) will prepare and serve the meal at Guadalupe Shelter.

Have you seen our **new website**? Crisp, clear. A new and improved communication and outreach tool. Credit and gratitude to David Haining who gave hours to this project. Go to: www.fccgreeley.com and explore.

Would you like to get caught up on our **Hope Partnership Initiative**? There will be a review of Hope Partnership's initial FCCG assessment, Monday, February 22, at 7:00 p.m. Everyone is welcome.

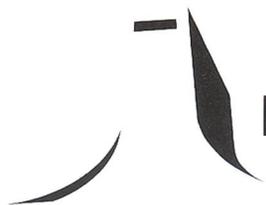

Sunday, March 6, from 9:30 – 10:10 a.m., I'll begin a three week **Faith Formation and Development** course on **Becoming and Growing as a Christ follower**. We'll focus on belief, repentance, confession, baptism and church membership. Anyone 4th grade through Adult is welcome to attend. RSVP to fccadmin@comcast.net or call the church office 352-1292.

More Than Anything Else in Life, I Want to _____.

That's kind of challenging isn't it? How would you answer that over the long term? What would your answer be if you weigh the temporary against the eternal? How about this: I want to **KNOW GOD**, my Creator, Redeemer, Shepherd and Friend.

Lent prompts us to focus on more than the tyranny of the urgent, the immediate, the right now. One of its benefits is to break through our *ennui*. Through the disciplines of Bible Reading and Prayer we see our finiteness and God's infiniteness.

I'll be honest. It's not automatic or easy. Each of us is a battleground. Two competing forces vie for the control of our souls {see Galatians 5:17}. Listen for God's voice in your devotions and our corporate worship. Breathe in God. Until we gather again Sunday – **Blessings!**
