

## ***Making Life Better***

with **Jesus**, in **Community**, on **Purpose**

a weekly email from **Pastor Lynn**

**4.1.2016**

### **Greetings –**

Easter lingers, doesn't it. The picture of a full sanctuary. The notes of the trumpet as we sang *Christ the Lord is Risen Today*. The baptisms of Bradford and Jack. The video *Are You Amazed*. We had a special day.

Again, it needs to be said that we have a number of dedicated servants. All of our gatherings from Palm Sunday through Easter were accomplished because we had a team of servants who contributed unselfishly. I'm so pleased to be a part of you.

### **3 Happenings This Sunday:**

- 1<sup>st</sup>** I'll start a multi-week study, during the 9:30 a.m. Sunday School time, on **Resolving Relational Conflict**. Every family, every church, every workplace community has conflict. Join me as we examine the principles for **Healthy Relationships** that are found in the Scriptures.
- 2<sup>nd</sup>** I'll begin a short sermon series on **Breakthrough Prayer**. While we believe in prayer, we are frustrated by our prayer lives. This may be one of the most important series we cover this year.
- 3<sup>rd</sup>** In our 10:30 service we will **recognize and set aside our Senior Minister Search Group** in a commissioning service. We need maximum support for this important defining moment.

### **2 Words That Can Change Anything – just two little words**

Two little words changed the course of history. They are short, simple, one-syllable words that we don't often think about putting together. And yet, when they are paired, they remind us of a truth bigger than any trial, any trouble, or any turmoil in which we find ourselves.

“This man Jesus was handed over to you by God's set purpose and foreknowledge; and **you**, with the help of wicked men, put him to death by nailing Him to the cross.

**But God** raised him from the dead...” **Acts 2:23-24**

Let those two words be uttered in awe and praise from our lips. Until we gather – **Blessings!**
