Greetings –

This Sunday my series on **The Difference Maker** will focus on the immediate results from the day of Pentecost and the outpouring of **God's Holy Spirit**. The early Jerusalem Church was alive with extraordinary dynamics. We will note the distinguishing characteristics of that church as described in Acts 2:41-47. Join me for – **Do It Again, Lord!** Part 2

OTHER ITEMS:

This Saturday, May 21, all morning, has been designated as our **Spring Clean Up day**.

There will be indoor and outdoor projects to improve our public impression.

Bring tools & gloves.

Sunday, May 22, there will be a **Congregational Meeting** to celebrate retiring the last “note of debt” from our three-year Capital Campaign program. We’ll also give an update on the financial trends of 2016’s first four months, and present a financial game plan for the remainder of 2016.

There will also be a **Fellowship Dinner** following, with the church providing *pulled pork sandwiches*, and a birthday celebration honoring Dean Turner.

Youth will depart at 1:15 for bowling at Chipper’s, cost \$4.

➔ A huge thanks to our Worship & Education teams for making last Sunday so special.

COMMENT

One of the prevailing values of our 21st century American culture is independence. We are tenacious about maintaining this “right.” The reality is that freedom is never free. We are all recipients of others’ gifts and sacrifices. As John Donne wrote so long ago, “No man is an island entire of itself; every man is a piece of the continent, a part of the main. . .” As we enter our summer season, don’t separate yourself from the body. Our togetherness creates a synergy that accomplishes far more than we can as individuals. Hebrews 10:24-25

Until we gather, keep listening for God’s whispers – **Blessings!**
