Greetings –

THIS SUNDAY, is our first Summer Fellowship Focus. We're having a **Pot Luck Brunch** immediately following our **9:30 a.m.** worship. Help us honor the wonderful men (and boys) at our church. All males will be served first! Please bring a brunch dish to share. Beverages will be provided.

Families of 4th through 6th graders. Don't forget we are offering a short term, summer course on 'Exploring and Letting the Bible Come Alive' becoming familiar with its stories, promises and precepts, and their application to lives right here, right now. Jan Taylor is leading this pullout group during our **9:30 worship**.

It's called **Body Life** – when various members of the 'Body' use their varied 'gifts' and 'abilities' to enhance the health and ministry of our FCC congregation. Not all of us can do the same thing but whatever we can, we do. (See 1 Corinthians 12 and Colossians 3:17) The following disciples have been busy enhancing FCC the past couple of weeks:

Rich Recor working on the air dampeners for sanctuary airflow
Stringing new conduit for an updated phone system

Gary Ikenouye repairing and replacing the electrical conduit line to the courtyard
water fountain outside the sanctuary

Carl England working on exterior cleaning and parking lot weed control. **Carl & Carolyn**
have done additional lawn weeding along the front and side of our sanctuary..

George Hypes sanctuary pew repairs

Ray White new, enhanced lighting for the 23rd Ave Sign **Express your thanks to each!**

Sunday's message will focus on 'Help for the Desperate' from Mark 5:21-43. Some of us already know some 'desperate' people. People for whom life is overwhelming. Maybe God wants some of us to hear this message because He knows the path we are traveling will lead to some 'desperate' times. Use this message to prepare yourself and to help others.

Until we gather, keep listening for God's voice. – **Blessings!**
