### ***Greetings –***

**THIS SUNDAY** is a holiday weekend. If you are in town, join me as we express our gratitude to God for His blessings on our nation. There are challenges and complexities for Christians in any society. Contrary to some opinions, God has not ordained any particular form of government, nor has He ordained every person who holds government office, BUT He has ordained government to preserve order, to protect citizens, and to promote righteousness.

Join me as I speak on “**The Dual Citizenship of Christians, Part One.**” Because this is an important election year, I’ll speak at least twice on this. We must understand our biblical identity as “Disciples of Christ” in a rapidly changing culture.

**What Is Your IQ Involvement Quotient?** Be sure to fill out and return the Sunday bulletin insert survey regarding your interests and availability for our ministries. Your response will help tremendously as we start our Fall Ministries planning.

**Quarterly Giving Statements** are available for your pick-up just outside the parlor – and *THANKS* for your continued financial stewardship. Don’t forget **the option of electronic giving** through your banking institution when you are gone this summer. You can address a one-time offering to the church just like any other bill pay account.

**Jan and I** have been with you six months. We really appreciate your acceptance of us. We’ll leave Sunday afternoon for a week in hot, humid, Oklahoma (Why, O Lord?). Actually it’s been six months since I’ve seen two of our children and five of our grandchildren. Absence makes the heart grow fonder. There will be a lot of road trips for FCC people this summer. Let’s uphold all of us regarding travel mercies.

**New Summer Sermon Series** begins July 17. “**The Stories He Told.**” All of us enjoy a good story. Join me as we learn a lot about ourselves and God’s Kingdom on earth.

Keep listening for God’s voice. – ***Blessings!***
