

Making Life Better

with **Jesus**, in **Community**, on **Purpose**

a weekly email from **Pastor Lynn**

Greetings –

This Sunday I'll continue the sermon series **"The Stories He Told."** We will look at Luke 16:19-31 – **"Where Do You Want Your Life to End Up?"**. This story uses a common story line: a rich person and a poor person. As the story unfolds we'll see the twin topics of moral responsibility and personal accountability come into play. **"He who has ears, let him hear."**

➔ This Sunday we will welcome **Brian Fowler, Director of RISE** (Relief, Independence, Stability & Education) for Greeley and Weld County. FCC partners with RISE and other agencies to help the needy people in our community. RISE is the group that rents two of our educational wing rooms during the week.

A new Directory is being readied, which we hope will be available by end of August or early September. It will declare "these are the people who make up FCC." **These are the people who attend, support, and serve** in our ministries. All active participants, stewards, and servants will be listed as well as our Homebound people.

UPCOMING: **Sunday, August 28** Our end-of-the-summer **Worship in Action Service Day**. For just a few hours we will literally be *doers* of the word and *not just hearers*. Please inform us if you know of someone who could use some extra assistance.

Sunday, Sept. 11 Our end of the summer, beginning of the fall **Open House** and **Picnic** **immediately after our 10:30 Worship Service**. This will be a MAJOR OUTREACH as we make a purposeful effort to **CONNECT** with our neighbors. Please commit to be present and serve.

"Therefore, encourage one another and build each other up as in fact you are doing."

1 Thessalonians 5:11

I look forward to your presence Sunday. ***Blessings!***
