

Making Life Better

with **Jesus**, in **Community**, on **Purpose**

a weekly email from **Pastor Lynn**, FCC Greeley

Greetings –

This Sunday our **new Sermon Series – Making A (Your) Mark** continues. How can our individual lives and the corporate life of the church *influence* our culture? This week's distinctive characteristic will be our **Covenant** with God expressed in our **Baptism**. Come and see how this *holy ground* experience identifies us with Christ. Our 10:30 a.m. sanctuary worship will include the **Choir anthem** "Here I Am, Lord."

In 9:30 a.m. Sunday School our children's classes have returned for preschoolers, grade schoolers and Jr./Sr. High students. Parents – help the church shape your children's lives with Faith. Two Adult classes are also offered: ▶ The Parlor Class will continue "The Present Word" curriculum, this month featuring "The Sovereignty of God." ▶ I will be presenting "A Survey of the Bible", an overview of people, places, timelines, and themes. If you are not familiar with the Bible, this study will make a difference. This group will meet in the Chapel.

Sunday @ 4:00 p.m. is the **Fall Student Ministry Kickoff**. All mid-high and senior high students are urged to join Todd for a time of fun, faith, and fellowship.

Upcoming: One Body, One Day – World Communion Observance – **Sunday, October 2,**
1:00 p.m. @ Bittersweet Park, 35th Street and 16th Ave.

How many of you have friends who are *believers* worshipping in other congregations? The goal is to see The Church Gathered as a Testimony of Faith – celebrating our common heritage of Grace as Christ followers. A simple service of unity around Communion will mark this brief and meaningful event.
