Greetings –

This Sunday our **Sermon Series – Making A (Your) Mark** continues. How can our individual lives and the corporate life of the church *influence* our culture? This week's distinctive characteristic will be our **Compassion**. You may think you've got this figured out. Actually this may be THE ONE most challenging sermon in this series. Our 10:30 a.m. sanctuary worship will include the **Choir's anthem** "As the Deer."

One Body, One Day – World Communion Observance – **THIS Sunday, October 2, 1:00 p.m.** @ Bittersweet Park, 35th Avenue and 16th Street (west pavilion).

How many of you have friends who are *believers* worshipping in other congregations? The goal is to see The Church Gathered as a Testimony of Faith – celebrating our common heritage of Grace as Christ followers. A simple service of unity around Communion will mark this brief and meaningful event.

Q: How can we use the name "Disciples" as part of our church identity and not have more "disciples" participating in our **9:30 a.m. Sunday School?** The Church has always seen small group learning and fellowship times as key to faith development. The goal, starting with our children's classes and continuing through our adult classes, is to see how our God *makes life better*. Come discover the promises, principles and precepts of God's Word.

Speaking of **Discipleship**, our Fall Wednesday Night Discipleship series – **Discovering Your S.H.A.P.E.** – begins next Wednesday, October 5, at 6:30 p.m. in the Fellowship Hall.

➔ Everyone should take a look at the updated **Student Ministry Bulletin Boards** in the main hallway. With just a glance you will be able to see some of our student's school activities and cheer them on. Our *community* includes our *students*.
