

Making Life Better

with **Jesus**, in **Community**, on **Purpose**

Greetings –

This Sunday as part of our November **Stewardship** focus we'll look at: **When is Enough, Enough?** Most would agree that life is more complex today, including our material possessions. Affording them, maintaining them, storing them, even enjoying them. Is there an alternative? Could we live differently with less and actually gain more freedom and satisfaction? Join me once again as we look at the responsibility and privilege of calling ourselves Disciples of Christ.

ALSO:

- Sunday you will be offered a summary of 2016's income and expenditures along with a **proposed 2017 Ministry Vision Plan**. This will be available by individually addressed envelopes in the main hallway just outside the Fellowship Hall where you picked up our first communique on Stewardship. Please help us save postage by picking yours up.
- There will be an open **Q & A** time on that information, Wednesday, November 16, @ 6:30 p.m. in the Fellowship Hall. The congregation will vote to affirm the MVP, at our **Annual Congregational Meeting**, November 20, and then on Sunday, December 6, you are asked to help underwrite the 2017 Ministry Vision Plan by submitting your personal **Faith Promise Pledge**.
- **This Sunday**, we will recognize our **Veterans**. We have put together a PowerPoint presentation featuring them *as they were* in uniform. We are grateful for all who have served and defended our nation.

Our **Thanksgiving Dinner** is just 10 days away, Sunday, **November 23**. The Church is providing the main course, and members are asked to provide salads, sides or desserts. You can indicate what you intend to provide on the hallway sign-up sheet.
