Greetings –

This Sunday we'll begin the first of a three-part sermon series on **Building on a Foundation That Lasts**. Jesus drew the distinction between two builders and the foundations they built upon. One foundation endured through tests and the other didn't. Jesus' promise to us is that *if we build upon His teachings*, our lives will stand the tests of time. As we begin 2017, let's concentrate on *what IS known to last*. We'll start with Hebrews 11 and the enduring quality of **FAITH**.

YOU are invited to the Men's Breakfast **This Saturday**, January 14, @ 8:30 a.m., in the Fellowship Hall. Good food and a very interesting program and demonstration on "Drone Technology."

Our **Youth** return to **Guadalupe House this Sunday** afternoon for their monthly service project. This will be a great opportunity to put your *Faith* into action alongside them. See Todd Loschen for details.

Don't forget your special offering for this Sunday's Christian World Service's Blanket Sunday. Last year FCCG gave \$800 to families facing homelessness, recovering from disaster, or fleeing conflict. Look for special donation envelopes in the pews. As we all know, a *warm blanket* can really make a difference.

Romans 12:1-2 (MSG)

“. . . God helping you: Take your everyday, ordinary life—your sleeping, eating, going-to-work, and walking-around life—and place it before God as an offering. Don't become so well-adjusted to the world's culture that you fit into it without even thinking. Instead, *fix your attention on God*. . . Readily recognize what He wants from you, and quickly respond to it . . . He will bring out the best of you.”

Early 2017 themes: ***Coram Deo***, Standing before the Face of God.
