## Message from Mark

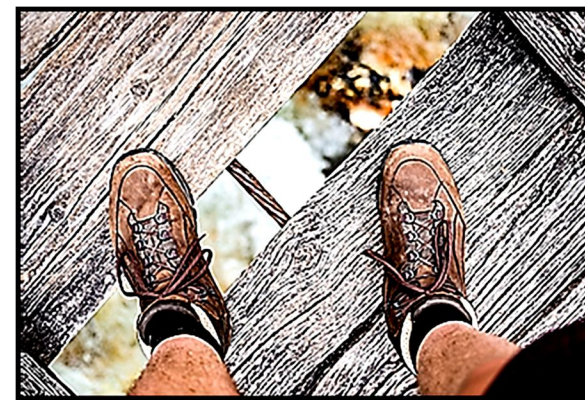

Dear Friends,

God's favorite color is October... I am sure of it because that is when he repaints this part of the world. We get to see every shade of red, orange, purple, and yellow in contrast with 100 shades of green. There is only one problem with October: It has only 31 days, and I plan to savor every one of them. This is also a time in our church life when everything picks up. There are a couple of opportunities I want to make you aware of:

October 27– **"The Pipe Organ Spooktacular"** at South Broadway Christian Church in Denver. I am treating anyone in our congregation who wants to experience a once-in-a-lifetime organ concert in a 126-year-old Victorian sanctuary. Frank Perko, who is now retired in Florida, is coming back home to Colorado to perform. Frank is arguably the finest organist ever born and raised in Colorado. He will be performing on the Kimble/Rogers hybrid organ, which Frank calls "the most special organ of its kind in Colorado." We will have a sign-up sheet, and you must sign up to go. We will be carpooling at 3:30 from FCC. We get preferred parking and seating at the Church I served for 18 years. There are eight restaurants within walking distance of the parking lot. You WON'T be disappointed.

October 28– **Harvest Festival** from 5-7. "FIRST CHRISTIAN'S GOT TALENT"— hosted by C. J. BLING, a defrocked televangelist from Weeping Water Nebraska... he was caught trying to sell forged Pokémon cards at the Greeley Mall. We will have fun and games for all... wear a costume, and sign up for the talent show. We will have three very fun judges and prizes for top talent, no talent, and keep trying.

Love, Mark

Do not throw away your *confidence*; It will be *richly rewarded*. Heb. 10:35

## Spiritual Gifts Practiced by Faithful Servants

October brings with it autumn harvest, bountiful fruits of the earth, and a seasonal change. So too in the church. It is a time to complete the year's things undone and plan for a new year.

*Each of you should use whatever gift you have received to serve others, as faithful servants of God's grace in its various forms.* (1 Peter 4:10). In our business we often put off our spiritual practice, ignore someone in need, fail to interact with a stranger because it is uncomfortable, or fail to act in compassion. The scripture reminds us we each have been given spiritual gifts, and each of us can serve in many ways. God doesn't call on you to do everything, but He calls us as the body of Christ to use our own special gifts to accomplish all that He has set before us.

Consider how God is calling you to use your spiritual gifts to serve others and the church in this season. How will you answer the call? (Lindsay Gray, The Upper Room)

The FCC General Board encourages you to pray about your spiritual gifts and special talents and join us in serving the church and others as faithful servants. Fall brings many exhilarating activities, so come and join in as we celebrate our faith and serve.

~Colleen Heitman, General Board Chair

## Thank You from the Worship Team

Summer 2018 was enhanced by three outdoor services under our tent! This involved lots of people setting up/ taking down the tent, sound system, and chairs, etc.

We were able to use a Clavinova digital piano for Sandy Varley to play. As Sandy said, "Having and using the Clavinova makes hymns really come alive, and makes the other music much more rich."

Lori Cheuvront donated this Clavinova to FCC. When you see Lori, please tell her "Thanks!"

## Elder's Message

~ Rev. Lena Morris

As an avid student of history, I have learned that the language of "resistance" has been around throughout our human existence. As a political term, "resistance" has meant civil disobedience focused on justice and human rights.

I am not a political activist. I am a pastor and follower of Jesus Christ; thus "resistance" evolves in a different way through prayer, conversation, and practice. I recently read an article in Ministry Matters, a newsletter published by UMC. The article is called "Sacred Resistance" and is authored by Ginger Gaines-Cirelli. Following is an excerpt from that article:

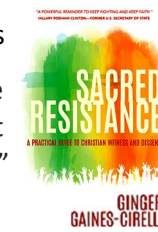

*Sacred resistance is... a way of being in the world, and an ongoing orientation to the world. As followers of Jesus, sacred resistance is at the heart of our being, not just our doing... it means that, as those formed in and by a relationship with Christ, our very being is turned toward God and attuned to God's wisdom and way. Therefore, our inward posture centers on God and resists all... that is counter to the ways of God revealed through Jesus.*

*... The point is not that we claim to get it right. The point is that, as those who are in Christ, our call is to be deeply, profoundly **with**—with God, with other people, and with all the creatures of the world. As followers of the God whose life is poured out for others to bring about wholeness, our call is to find meaning and purpose in doing the same.*

*This, then, is our way of being in the world: to be with and for God and others and to participate in God's life of love, justice, and mending. In the traditional language, life is found in the biblical requirement to "love the Lord your God with all your heart, with all your being, with all your strength, and with all your mind, and love your neighbor as yourself" (Luke 10:27 CEB).*

**God of the beginning, God of the end, help us to count our years not by how long we have lived, but by how well we have lived.**

**May we never give up our dreams or surrender the fight, but remain faithful until life's end. Amen.**

## Mission Matters

**"I was hungry and you gave me food..."**

Matthew 25:35

### Weld Food Drive—Month of October

Did you know?

**1 in 5** people in Weld County are going without food today.

**1 in 4** children in Weld County are struggling with hunger right now.

**4 for 1:** Four meals can be provided for every dollar donated.

**12.8 million** lbs. of food were distributed to those in need by the Weld Food Bank last year.

Once again First Christian Church will partner in this critical ministry. Non-perishable food and monetary donations are greatly needed. Write *Weld Food Bank* in the memo line on checks and be sure any donated food has not expired and is not in a glass container. Look for the Weld Food Bank barrel in the hallway. Items especially requested are canned meat, fruit and vegetables, as well as peanut butter, cereal, beans, and rice.

### Weld Project Connect—Oct. 19 Noon to 4:30 p.m.

#### Island Grove Park Events Center

Weld Project Connect is an annual, one-day event providing numerous on-site services directly to individuals and households in need due to housing instability, job loss, age, health problems, and other issues that can interrupt a life. All services are **FREE**. Each guest is matched with a Navigator who guides the guest through available services. Interpreters are available for non-English speakers. Examples of services: City of Greeley pet licensing, obtaining a High Plains Library District library card, registering for citizenship classes, health screenings, credit counseling, resume writing assistance, flu shots, legal counseling, veterans assistance, haircuts, and much more.

**Volunteers are needed to serve as navigators.** Volunteers must be 18 years of age and need to attend a mandatory training session if they have not participated within the last two years. The training is short and will be offered multiple times during the first three weeks of October.

If you are interested in learning more about receiving services or volunteering, visit

or contact [Margie Martinez](mailto:Margie.Martinez@weldprojectconnect.org) at 970-353-4300.

## Backpack Collection Box Reminder

Our beautiful handmade box will be available for donations on the table outside Fellowship Hall on Sunday mornings only. Be sure that your contribution disappears completely into the locked box. These funds go directly to the Weld County Food Bank program to help students who have been designated as "food insecure." On Friday afternoons each child is given a bag of food items that can be prepared without adult help over the weekend. (It is a long time from Friday school lunch until Monday school breakfast.) This will be an ongoing FCC project. Thank you for your support!
